

CAPABILITY STATEMENT

The NVS Advantage

NVS is a Small Business Administration certified HUBZone and Totally Small Business. NVS is also a GSA Schedule Contractor. We are proud members of ISSA and Building Services Contractors Association International (BSCAI). NVS was named the 8a Contractor of the year in 2019.

NVS has the skills and experience to service your building. Most importantly, NVS has the best team of professional employees in the Cleaning and Operational & Maintenance (O&M) industry. NVS is an Emergency Response contractor.

NVS' prime service is janitorial but it is much more. Since 2002, NVS experience team members keep your building clean and sanitized. Our team makes sure that your building looks and feels clean. Our landscaping and grounds team works hard to keep your lawn looking fresh, green and well-trimmed. Our O&M staff monitors your Building Automation System keeping all internal environmental conditions comfortable.

NVS offers a wide range of building services. We also provide Repairs & Alteration, Pest Control, Life Safety Programs and many other services.

"We perform jobs that most are not willing to do!" No job is too small. We have a strong/qualified team of employees and support contractors.

NVS is a CIMS Certified Company.

How does ISSA Cleaning Industry Management Standard* (CIMS) certification benefit you?

CIMS CERTIFICATION:

- Allows you to choose a company that is truly professional and capable of getting the job done.
- Assures you that our management systems and processes have been assessed by an independent third-party and that we comply with the industry's leading standard.
- Helps us deliver a consistently high level of service.
- Enables us to reduce costs by improving efficiency, which allows us to pass along service improvements and savings to you.
- Ensures that we have a sustainable business model that will provide you with valuable, long-term service.
- And, most importantly, makes your job easier by helping you identify a quality, customer-focused, professional organization.
